Modifications Requested

Please detail any modifications requested to the above program details:

- All deliverers engaged must be registered with the AASC program.
- The ASC has not checked and will not be checking the existence or adequacy of insurances (if any) carried by the School/OSHCS or Deliverer. Accordingly, the ASC makes no warranty as to the existence or adequacy of any insurance.
- It is the Deliverer and School/OSHCS responsibility to confirm the insurance position of both parties with respect to the engagement of services and to determine the adequacy of the insurance (if any) carried by the School/OSHCS and/or by the Deliverer.
- Deliverers (whether acting as a paid deliverer or volunteer) are not employees or contractors of the ASC and you are not covered by any ASC insurance. Deliverers are engaged by the School or OSHCS to deliver the AASC program.
- It is the responsibility of the site to verify that deliverers have the necessary qualifications, experience and/or skills for delivery of the nominated activity and that the Program is delivered safely to all participating children.
