

24th Oct 2017

To All member associations,

Please be advised that we are planning to open team registration for the 2018 IFBA World Broomball Championships in Blaine, MN, USA in November.

Work is currently underway to set up the web site links giving access to team registration, banquet tickets, host hotels, practice ice and any other information we receive from the hosts.

We are currently also working on other events including the IFBA European Nationals and the Canada Cup where we shall have representation on site.

As with past events all questions should be directed to the IFBA General Secretary and not through the host committee. The email address is : secretary@internationalbroomball.org

As soon as we are ready to go live I will advise you.

Regards

Alan Jabs

Secretary General

IFBA
